OSTEO SCIENCE FOUNDATION

HOW | I DO IT

VIDEO SERIES

Real Techniques. Real Impact. For OMS Residents.

Learn from the Experts – in Just Minutes

Introducing *HOW I DO IT*, a trusted series of high-yield surgical videos designed for your pre-op review

Osteo Science Foundation's ***HOW I DO IT*** is the premier education video series for Oral and Maxillofacial Surgery residents – providing concise, expert-led demonstrations of practical surgical techniques and clinical pearls. Every video is vetted by Osteo Science Foundation and functions as a step-by-step resource to ensure residency preparation and clinical excellence.

The *HOW I DO IT* series is the latest go-to resource for OMS practitioners:

- Rapid refreshers on surgical techniques and procedure
- 100% vetted content by Osteo Science Foundation
- Expert-led video demonstrations
- New, real-world content released regularly
- Free and immediate access

Smart training today. Better patient care tomorrow.

We are committed to providing the next generation of clinicians with the tools and knowledge they need for success.

Osteo Science Foundation's mission is to advance hard and soft tissue regeneration with a focus on Oral and CranioMaxillofacial Surgery. The Foundation was established by Dr. Peter Geistlich in 2013 and is funded by Geistlich Pharma, a global leader in regenerative medicine for dental, oral, and maxillofacial surgery. Osteo Science Foundation is dedicated to advancing scientific research and education that leads to improved outcomes for patients, and operates as an independent, privately-funded 501(c)(3) non-profit organization.
